

Tele-Mental Health Policy

Due to the declared state of emergency regarding the current COVID-19 crisis, _____ will allow the Counseling Center of Concord to conduct tele-mental health services for the duration of the time necessary to offer these services to affected clients. Furthermore, we understand it is the Counseling Center of Concord's responsibility to provide access to a tele-mental health platform and instruction and conducting tele-mental health counseling that are consistent with HIPPA regulations, state standards, and site policy, which includes instruction on handling emergency situations via tele-mental health counseling.
